

ARR Club Information

The club was incorporated in November, 1970, as a non-profit organization to promote running for health and fitness and is governed by a volunteer board of directors.

Presently, the club produces runs of all types annually, from 1 mile to 50 kilometers. In addition, the club assists at many additional runs, providing equipment and expertise to organizations to raise funds for worthwhile projects.

Now through the **Arizona Road Racers** you can buy your own personal chip that can be used at any ChampionChip timed event in the world. In addition, the ChampionChip Company is working on a web page that will record race information on all chip owners.
