

COURSE DESCRIPTION

Starting Line will be the perpendicular sidewalk alignment at Betty Elyse and 3rd Street prior to the radius curve.

Runners are to remain on asphalted streets at all times until entering the Moon Valley Park.

Park entrance and paths designated by sidewalks, cones, and flagging.

Entrance to the park sidewalk will be at the 7th Avenue drainage wash.

Upon entering the park, runners are to remain on the sidewalks as designated.

Exiting the sidewalk onto the grass will occur 116' from the sidewalk intersection at the northwest end of the park.

When accessing the grass running areas, runners are to remain inside of the flagging, cones, and chalked areas.

Park lightposts will form the southern side of the out-of-bounds along the northern park grass path.

Exiting the grass path will occur at the fitness station, east end of the park's grass field, runners will then remain on the park sidewalk.

Runners will exit the sidewalk at the "X" etched in the sidewalk at feet from

Finish line will be the alignment of the "bent tree" trunk and the eastern side of the fitness station concrete.

Mile marks are for reference only and are not certified.
