Purpose of 3Mile Run:

The money raised will be used directly to give scholarships to students who want to attend camp but cannot afford camp and also to pay for associated costs of camp.

Purpose of Camps:

Students at Copper Canyon High School are raising money for a social justice camp. Our camp is called Our Town but you might have heard of Anytown or Unitown camps, they have the same purpose. The Our Town camp is students specifically from the five high schools in the Tolleson Union High School District.

At camp there are discussions about social injustices that are prevalent in society every day. That might be racism, sexism, classism or cliques in school to name a few. Then we discuss how injustices are dealt with locally and globally and then how those injustices affect every person.

In our district there are three camps. The first, Oneness, is based on internal feelings. The second, Camp Willing, is based on Conquering fears. The third, Camp 2TEACH is putting your work into action and a fun trip to Los Angeles, CA.

DON'T BE LEFT IN THE DUST - JOIN THE FUN!
